(Revenue \$) National Programs - In 2013, Children's Health Fund's national network of programs in 17 states and the District of Columbia reached over 85,000 children and family members via 250,000 health care encounters. From New York to California and from Florida to Illinois, Children's Health Fund's 50 mobile clinics and fixed-site health centers brought comprehensive care - medical, dental, mental health and other services - to kids most in need. To ensure patients have access to specialty services and that our local sites have added oversight, every CHF program is affiliated with either a local academic medical center or federally qualified health center.
